### **List of NYSERDA contractors that can help a building receive NYSERDA funding, an energy audit and efficiency measures**

NYSERDA's web site has a list of contractors that are official NYSERDA partners and can help a building owner get NYSERDA funding, an energy audit and energy efficiency improvements for "existing multifamily buildings" or other buildings (we recommend using companies that are near New York City to reduce travel emissions). For an updated list go to:
