

Orphan Well Map Acknowledgments:

The primary authors of this map (Adam Peltz of Environmental Defense Fund and Dr. Mary Kang and Jade Boutot of McGill University) would like to thank the following people for their essential contributions:

- Alan Bucknam of Notchcode and Nick Trotter of Nick Trotter Maps for designing the map
- Nick Miner and Cassidy DiPaola of STG Results for project management and communications
- Raisa Orleans, Matt Garrington, Jon Goldstein, Ben Schneider, Joan Troyano, Salo Aburto and Wes Rogerson of EDF for policy, content, and technical support
- Lori Wrotenbery, Amy Childers and Kaitlyn Smith of IOGCC and state oil and gas regulators across the country for data and landscape analysis
