October 2, 2017
11:00 AM – 3:00 PM
Presidential Participation: East Room
Listening Sessions: At Agency Locations
Christopher Liddell, Mick Mulvaney, Neomi Rao, Andrew Bremberg

I. PURPOSE

To showcase the Administration's strategy for regulatory Reform, and significantly increase the pace of reform across the entire federal government.

II. BACKGROUND

Within the first ten days of his presidency, President Trump signed an Executive Order aimed at rolling back regulations, fulfilling one of his campaign pledges. As part of this Executive Order, the Office of Information and Regulatory Affairs (OIRA) is working through the Federal Register with agencies to remove redundant and ineffective regulations.

The event will provide the opportunity for all agencies to work with external regulatory experts and groups to accelerate regulatory reform and ensure the EO's requirements are being met. The focus will be on the process of regulatory reform, not specific regulations.

(b) (5)

Each designated agency will host an open-to-the-public forum to present an update of the agency's regulatory reform actions thus far, plan going forward, and answer questions regarding the ways effective reform can be accelerated.

Geoff, good seeing you the other day. Hope everyone got the right
shoes. Question for you – the PA GOP delegation gets together once a
month for dinner and Shuster would like to invite the Secretary to
stop by the next dinner if possible. Time commitment is 15-20 minutes
tops. The next dinner is Oct. 2 at 7:00 PM. Exact location is TBD but
somewhere close to the Capitol. Is this something that the Secretary
would be interested in and if so does Oct. 2 work?

Thanks

Attendees: 120 Business Leaders from Rhode Island
Confirmed Speakers:
Senators Reed, Schumer, Murray, McCain, Booker, Ernst

Contact: Rosanne Haroian (b) (6)

As requested, I've attached our program agenda and a list of participants – I hope this helps.

Just as a reminder, this event takes place in SH-902 and is not open to the press although, most attendees will have smartphones so, they may post to social media during the day. I will greet the speakers and advance staff in the foyer just outside the SH-902 elevators, escort them to the front of the room where they will join Senator Reed at the head table. There will be a podium and microphone next to the head table. Senator Reed will introduce them to the group of 120 Rhode Islanders, they will speak and then take questions (as many or as few as they would like) – Senator Reed will moderate the Q&A. Audience questions will not be submitted ahead of time but they're historically based on the contents of the speech, something that has arisen earlier in the day, and occasionally an issue someone has had with a specific agency.

If you have any questions, please don't hesitate to email or call me. My direct line is (b) (6) and if you need to reach me the day of the event, my cell is (b) (6)

Thank you for reaching out. Senator Reed would like to invite to speak at his annual Rhode Island Business leaders Day on Wednesday, October 4th. Currently, the following 30-minute speaking slots are available but I'd be happy to look at alternate times to try to accommodate her busy schedule: 11:00am-11:30am; 12noon-12:30pm; and 3:30pm-4:00pm.

Here are some event details for your planning purposes: The audience is comprised of about 120 Rhode Island business owners, nonprofit leaders and a few state government officials and they'll hear from a bipartisan list of Senators as well as journalists and Administration officials throughout the day. The event will be held in SH-902 and I will greet the speakers and advance staff in the foyer just outside the SH-902 elevators, escort them to the front of the room where they will join Senator Reed at the head table. There will be a podium and

microphone next to the head table. Senator Reed will introduce the Secretary to the group and moderate the Q&A. She can speak on whatever topic she chooses and can take as many or as few questions as she would like during her 30-minute time. The event is closed to the press but most attendees will have smartphones so, they may post to social media during the day. There will be no press releases, Facebook posts, blogs, tweets, etc. from our office prior to this event and the program booklet will be handed out to the attendees upon their arrival to SH-902. The program is still a work in progress but I will send you the list of additional speakers as well as the attendees list as soon as it is complete.

If you have any additional questions, please don't hesitate to email or call me. My direct line is (b) (6) and if you need to reach me the day of the event, my cell is (b) (6).

Background:

“The Trustees prefer a more informal arrangement asking speakers to join them at the board table in a discussion format. We would like Secretary Chao to touch on a wide range of topics of her choosing such as her perspectives on the current political and policy landscape.

Hello Elle,

Given the schedule of speakers already confirmed for the day and the logistics of travel for the board, it will necessitate that the location of the meeting schedule remain at the Fidelity office for the day.

Please let me know if the currently scheduled time for Secretary Chao to join the board is still acceptable.

Thank you,

Berni

Background Materials

Greetings from the UAE Embassy in Washington DC. Hope this email finds you well.

His Excellency Ambassador Yousef Al Otaiba the UAE Ambassador to the USA is interested in scheduling a meeting with the Honorable DOT Secretary in the coming weeks. Ms. Pauline Habr who is the Ambassador's Executive Assistant will help with coordinating a time, kindly let her know who best to work with.

The meeting is mainly going to be a courtesy visit that will cover a few areas of mutual interest between the US and the UAE on the transportation and infrastructure side. As the Secretary may be aware, the UAE is the largest export market for US goods in the Middle East and North Africa for the 9th year in a row and the US enjoys its 3rd largest trade surplus with the UAE (over 19 Billion USD). The UAE is also a hub with first class ports in Dubai and Abu Dhabi, as well as a port operator from Sharjah that manage port Canaveral in Florida (GulfTainer) and are looking to expand in the US.

The UAE also has been making a very strong push towards autonomous driving and we are working with several US firms on rapid prototyping and deployment. Hyperloop have also recently won a few major contracts in the UAE and have an operation there. Emirates and Etihad continue to invest heavily in US Boeing aircraft and GE engines and have investments in several gateway cities around the US which is increasing business travel and tourism as well as cultural exchanges. We are also working closely with FAA/AST on the Space front and are looking at solidifying an agreement soon on that end.

The Ambassador looks forward to a discussion with Secretary Chao to explore areas of synergies and mutual benefit and would appreciate the opportunity to engage.
