Matt,

For the sake of efficiency and clarity, we're hoping to combine the pre-brief for Wednesday's CCF meeting (focused on the time-sensitive review of the (b) (5) with the previously requested briefing for the full CCF queue for June (attached). We are working with Deva to find a hour that can cover all six projects.

Thanks,
Jodie

Jeff,

Congratulations on your confirmation! Mark had reached out to you previously in suggesting that we meet to discuss a shovel ready redevelopment opportunity in New Brunswick, NJ that would utilize DOT's RRIF Financing Program.

I can only imagine how busy you are but was hopeful of setting up a time to meet. I'm in DC on the 30th and 31st this month with one of my partners if you could squeeze us into your schedule. If those days do not work we would make ourselves available at your convenience.

Greatly appreciated,
Chris

Subject: Congratulations

Jeff,

Congratulations on your confirmation as Deputy Secretary of Transportation.

I appreciate the time you have taken already to become familiar with the many challenges we face here at Metro. As a long-time resident of the region I know you appreciate the important role the system plays in supporting the federal government and Americans from across the country who visit the Nation's Capital. I would welcome the opportunity to meet again to update you on the steps we are taking to implement our plan to restore the WMATA to the world class system the region deserves.

I wish you every success in your new duties.

Paul
