Jeff,

Understanding that you are juggling a host of meetings and personnel matters at the Department, I was curious if you might have time next Monday-Wednesday (May 22-24) to sit down with myself and Erika Jones to allow us to flag some opportunities for you and the Secretary regarding Autonomous Vehicles and the previously issued Federal AV Guidance.
Thanks for your consideration,

Dave

Hi Carrie,

I'm reaching out on behalf of Linda Springer, Senior Advisor to the Director of OMB, to coordinate a brief call with Deputy Secretary Rosen. Linda would like to welcome him to the President's Management Council and give him an update on the government-wide reform effort. Would Dep. Secretary Rosen be available for a 15 minute call on Monday between 10am-11am?

Best,
Alex

Thank you for the offer! We will come to DOT; he'll have a car and driver, and so it won't be a problem.

It's not a big deal... but as a heads up... one thing Gary will want to discuss is the proposed high-speed rail line between HOU and DAL. Gary K. met with Gary Cohn and DJ Gribbin back in March. TX HSR came up (unplanned) during the discussion, and Gary K. said he'd look into the issue, as there were two competing studies commissioned by the supporters and opponents of the planned route. So Gary K. asked for his own study. To date, we haven't taken a public position about the TX rail proposal.

Not sure if there's anyone in your office/department who could join the meeting? I'll leave it up to you. Again, it's not a big deal. But please note that Gary will probably raise HSR.

Another thing Gary will say is how appreciative he is of the Secretary and her staff (eg, you!) for taking such a strong leadership role regarding ATC reform. The slow pace of modernization is a longtime frustration of ours, despite the FAA's best efforts over many, many years.

Thank you again! We will get there a little before 1pm to clear security.

Hi Geof and Mike:

Would both/either of you have any time to meet with Gary Kelly (Chair & CEO of Southwest) late next week, if even for 15 minutes?

Available times:

June 8 at 5:15 <x-apple-data-detectors://0>
June 9 at 9am - 10:30am <x-apple-data-detectors://1>
June 9 at noon - 1:30pm <x-apple-data-detectors://2> .

Gary had a scheduling request to meet with the Secretary and/or Deputy Secretary during those windows, but it doesn't look like it will work out.

Also, Gary has to send his regrets about attending the WH event on Monday. He has a commitment in California and won't be able to make it. He's going to send Capt. Craig Drew (our SVP for Air Ops) in his stead.

I know Gary greatly appreciates Secretary Chao's leadership regarding ATC Reform!!!

Please let me know if you're available. Thank you!

Subject: RE: Request for Phone Call with Secretary
Chao- Rep. Pete Aguilar

Danielle & Andrea –

I am sorry for the delay in responding. Here is the deal:
We are reviewing the FASTLANE program in light of the
Administration's priorities on infrastructure. We plan to
award grants, but it is still undecided about how we will
be carrying this out. I understand that Rep. Aguilar
wanted to discuss a specific FASTLANE application for a
project in California. It might be more advantageous for
the Congressman to talk with the Secretary when we
have a better idea of how FASTLANE will go forward.

The Secretary has a really tight schedule in light of
congressional hearings both this week and next as well
as travel and "Infrastructure Week" at the White House
(which is why I suggested that we schedule something
with the Deputy Secretary). I'm sure it is hectic for you
as well and would be tough to sandwich a call.

My suggestion would be to wait until we have ironed
out the FASTLANE program. But, if the Congressman
really needs to talk to a high-ranking DOT official
sooner, we can set up a call with the Deputy Secretary.
Let me know what you would like to do. Again, my

apologies for being so long getting back to you.

Jeff, as discussed I wanted to see if we could schedule a quick phone call at your convenience. Given it's infrastructure week, next week would be fine - happy to work with Carrie to set it up, and look forward to connecting. My cell is (b) (6).

By the way, thought the rollout of the FAA/NextGen proposal today went well and got some good coverage. You and DJ are obviously having a big impact already!

Subject: infrastructure week and Amazon
Todd,

Hope all is well since we've last visited. Big week ahead and excited to watch all the announcements that come out of infrastructure week.

I wanted to follow up on our conversation in March when we discussed our planned airport hub at CVG as well as some of the innovative ideas we've got when it

comes to improving infrastructure. Attaching a one-pager for your review. If you've got time after infrastructure week concludes, I'd love to come in and discuss further.

Appreciate your thoughts and hope to talk soon,

Ashleigh

Hi Matt,

I'm going to send you a discussion outline/rundown of the UAS breakout session later today or tomorrow morning at the latest - could you share with Jeff? If there's someone else I should coordinate details with for his portion of the morning, let me know!

Since we have several USG reps co-leading this, I'd like to schedule a quick 10-minute conference call tomorrow with Jeff (or someone from his team who can brief him on this) just to run through it all. If Jeff's office can send me over a few windows that work time-wise, I'll get it sorted!

Thanks very much!

Stephanie

As we have a very senior delegation of global infrastructure investors travelling to DC in June (19th-21st), I wondered if it would be worth approaching your senior policy officials to see if any of them are available to meet with our group during that week. . In addition to our Chair and CEO, those members currently committed to the trip include senior representatives from Morgan Stanley, Goldman Sachs, Macquarie and OTPP amongst others.

Would you be kind enough to explore whether there is any interest in that option or point me in the right direction? Just to reaffirm, we remain very keen to meet with the Deputy Secretary but would like to explore alternative options.

Many thanks for your help.
Kind regards

Subject: Briefing with S-2 on Portal Bridge Project

Hello Carrie,

Matt and I spoke before the Secretary's EMT this morning and he requested a briefing with S-2 on the Portal Bridge project, which is a part of the larger Gateway Program. Matt asked that I reach out to you to coordinate scheduling the meeting. Our Executive Director is currently on travel and will not be back in the office until Thursday. If possible given S-2's schedule, a briefing on Friday or early next week would work well.

Thank you, both.

Subject: Re: Jeff Rosen's EA

Thank you Wendy. You're wonderful. Carrie, it's a pleasure meeting you, albeit virtually. I am the current Executive Director of the Transition and also a principal in my own firm Nahigian Strategies. I'm writing in the latter capacity. I had lunch with Jeff who i have known forever dating back to when i was chief counsel to the Senate Commerce Committee and he was GC of DoT. We talked about reconnecting when he got over there about communications and priorities. I'd very much like to do that if he's still amenable.

In addition, the more immediate request involve the Truckers, who i do communications for. You may have seen us take the big rigs to the White House several months ago. The Truckers very much would like to request a meeting with Jeff to discuss infrastructure and how they can support the effort. I can provide dates if he's willing to meet them.

Thank you in advance on both fronts. I look forward to meeting you one day very soon.

Hi Carrie,

I was given your name by Regina Sullivan at the Washington Metropolitan Area Transit Authority (WMATA) as the person to speak with about setting up a meeting for WMATA Board Chairman Jack Evans and Deputy Secretary Rosen. Chairman Evans is hoping to speak with the Deputy Secretary very briefly about governance at the transit agency.

Does Deputy Secretary Rosen have any time this afternoon for a 15 minute meeting? If not today, is there some other time this week that works well for the Deputy Secretary?

Thank you,

Tom

Subject: Meeting Request

Dear Jeff,

Congratulations on becoming Deputy Secretary! I'm sure it's been a very busy time and I hope all is going well. We've met a few times before and I hope you remember me. I am President of the American Highway Users Alliance, which represents about 300 different companies, AAA clubs, and non-profit associations that care about highway safety and mobility issues. We are also big supporters of investment in America's

highways.

The Highway Users is part of an ad-hoc, unofficial coalition that supports streamlining the project delivery process. The group consists of us, AASHTO, ACEC, ARTBA, AGC, and AMPO. We've been developing some streamlining ideas that we hope might be helpful to you and would like to meet with you to discuss your ideas and ours.

Would you be available sometime in the next few weeks for a meeting with me and these groups? – again, the focus would be environmental streamlining.

Thanks for your consideration.

Best wishes,
Greg
