Hello Administrators Buzby, Batory, Martinez and Elliott and all of our Acting Administrators,
At Secretary Chao's request, Deputy Secretary Rosen will be convening a new regular council of modal heads with substantial grant programs called the "Economic Growth Council." The meeting will include only Administrators and Acting Administrators, as well as the OST heads of Policy and Budget. The purpose of this Council is to align the Department as a whole around a broad-based economic growth agenda that benefits the entire country.

The first meeting will be on October 23rd at 3:00, and is scheduled for 45 minutes, though it is expected that the meetings thereafter will be set for 30 minutes. After the kickoff session, this group will meet twice per month. Though other matters also may be included on the agendas, the focus as we commence will be managing the Department's grant programs. Attached is a listing of DOT's grant programs. At the first meeting, OST Budget will provide an overall grants calendar, and as we proceed you will be requested to provide specific updates on your grant solicitations, selection processes and status, and ways in which your mode is promoting a pro-growth agenda. You will also be asked to offer suggestions for the Department generally so our grants and policies do everything we can to make America great again!

Subject: Telcon with Mr. Rosen

Regional Air Cargo Carriers Association (RACCA) would like to schedule a telephone conference with Mr. Rosen some time in the next month. The conference would include RACCA Board Chairman Tim Komberec, President Stan Bernstein, and me. RACCA represents approximately 50 FAA-certificated air carriers operating about 1000 airplanes, chiefly engaged in express package delivery for FedEx, DHL, UPS, and other customers throughout the U.S. and internationally. Most of our members operate under 14CFR135, although some have Part 121 certificates or both.

Purpose of the concall would be to acquaint Mr. Rosen with our activities and some regulatory and statutory issues of increasing concern to our membership.

If you could provide us with several potential dates and

times and contact information for the DOT scheduler, we would greatly appreciate it.

Thanks for your assistance!

Subject: Request for a meeting - Road to Zero Coalition report

Dear Deputy Secretary Rosen,

Happy 2018. I hope you're doing well.

I am reaching out to request a meeting with you on either the afternoon of February 6 or the morning of February 7 to introduce myself to you and the work of the National Safety Council (NSC). NSC has enjoyed a great partnership with the Department of

Transportation to save lives on our roadways, and this has been most apparent recently through our work together on the Road to Zero coalition. We have over 600 unique organizations that have joined with FHWA, FMCSA, NHTSA and NSC to support the goal of zero fatalities on our roadways by 2050. It's a lofty goal for certain, but attainable with focusing on efforts currently use, accelerating technology advancements and supporting safe design in our infrastructure planning.

Later this year, we will issue a final vision document on how we reach this goal. We contracted with RAND to convene several listening sessions in 2017. A draft report has been shared with several of your colleagues in order to provide feedback. The purpose of our meeting would be to provide you with an overview of the report and the efforts of the Coalition.

Again, I will be in Washington, DC the afternoon of Feb. 6 and the morning of Feb. 7, and I hope we may be able to meet on one of those two dates. Please connect your scheduler with Jane Terry in the NSC DC office to help make any arrangements, (b) (6)

Sincerely,
Debbie Hersman

Subject: FW: Meeting request - per Dep Secretary Rosen

Deputy Secretary Rosen,

I know things haven't slowed down for you so far this year but I wanted to reconnect understanding that you floated a willingness/desire to sit down with myself and a few others from the Alliance late last year to discuss in more detail various CAFE/Mid Term Review matters.

I understand that the DOT process, as well as coordination with EPA and the White House is moving forward but I wanted to check in with you to see if we could find time in the near future to connect.

Mitch Bainwol and I were both able to connect with the Secretary when she was at the Detroit auto show and some of our members who were able to send CEOs/Executives appreciated her time and the discussion on AV and fuel economy issues.

I just figured with the earlier announcement by Heidi

King of an NRPM coming out at the end of March (which I understand isn't necessarily the case), we felt it could be mutually beneficial to connect as NHTSA continues its modeling work that will inform the EPA process in hopes of a coordinated action later this year.

Please let me know what you think is possible and we can certainly work to accommodate what your schedule allows

Thanks,

Dave

Subject: RE: IATA Aviation Day, NYC, Feb. 22

Jeff,

Many thanks. I couldn't be more pleased to hear this news. (Wish my motions for reconsideration were always this successful!)

I'll be in Montreal beginning next week for 10 days or so. It will be easier to find a mutually convenient time to talk when we're both in the same time zone. Carrie should be in touch with Antoinette Tatta (copied) to make it happen. I'll also be in DC Feb. 12-13 for the MAC meeting. If you're in town then perhaps we can spend some further time conspiring. I'm sure we can make the session both entertaining and informative, shining a spotlight on the radical difference in policy and practice that the Trump administration represents for the aviation sector.

Best regards,
Jeff

Do NOT forward this invite.

Loren Smith in OST-P is the non-career POC; career POCs are the modal CSOs as well as the technical team

Each modal administrator is allowed to have a +1 for their Chief Safety Officer

Attached is the draft memo we'll be sending in to S-10 ahead of the Feb 28 meeting. As a reminder, this is the annual meeting of all the modal heads, chaired by S2, to discuss DOT's safety agenda.

Our tentative agenda is to discuss four main cross-modal areas to ensure internal DOT alignment:

1. Safety Data
2. Safety Promotion [outreach]
3. Performance-based Regulatory Approaches [reg reform]
4. Automation

The goal of the meeting, in addition to discussion and ensuring alignment across the modes on DOT's overall safety agenda, is to set the agenda of the Safety Technical Team for the coming year. The Technical Team is the agglomeration of modal Chief Safety Officers that meets monthly.

Happy to discuss as needed.

Subject: Zee Aero/Kitty Hawk

Gentlemen, per my note below in December, Eric and David from Zee Aero/Kitty Hawk are making a return to DC in a few weeks. We'd love to take the opportunity to sit down with you and apprise you of our progress, discuss UAS policy issues writ large as well as get any feedback on the white papers we send back in December.

They are here on February 28, and March 1. They also have some availability on March 2 but will be flying back later that day. We'd appreciate any time that you all might have to meet with us. Please let me know if you have availability on your side or if there is a more formal channel for submission that you'd prefer.

Thanks much for the consideration. Hope you all have a great weekend.

Best,  
Rob

Subject: Zee Aero/Kitty Hawk follow up

Gentlemen,

We greatly appreciate your time last month with David Estrada, Eric Allison and Tom Gunnarson with Zee Aero/Kitty Hawk to discuss the Administration's efforts on deploying UASs and Self Piloted aircraft as well as the opportunity to update you on the Urban Air Mobility efforts of the company.

After the meeting, we sat down to figure out how best to engage to support your efforts as well as ensure an industry path to deployment. To that end, we wanted to follow up with the above two white papers regarding Part 21 rulemaking at the FAA and an ATM for self-piloted aircraft.

The guys from Zee will be back in February and we hope to sit down with you again on this at that time. We appreciate the opportunity to continue to engage on these issues.

I hope you all have a great holiday season. Please let me know if you have any questions.

Best,  
Rob
