Rich, good to hear from you. Short answer is I would be interested, so I am copying my assistant, Carrie, to try to find us some time. Schedule is tight for those days, but hopefully we can arrange something that will work for your clients. Will look forward to it.

Hi Jeff,

I hope you are doing well. Never a dull moment there, I imagine.

I am writing on behalf of a client, the Aluminum Association (which is what it sounds like, the association that includes Alcoa, Arconic, Reynolds, and other aluminum companies large and not so large). As you can understand, they are highly interested in CAFE standards, for two reasons. As the standards have tightened, there has been more demand for aluminum among auto manufacturers And there seems to be a debate over an issue that had seemed settled, which is that aluminum performs as well as steel from a safety standpoint.

I believe that you are not a fan of increasing the CAFE requirements, but even if so, I would appreciate it if you would be willing to meet with the executives (about 6-8 in all) of the aluminum industry to hear them out, on both the job impact of CAFE and on the safety aspect.

I am quite mindful of the many pulls on your time, so I do not make this request lightly. And I wish there was more notice. But if you would be willing to meet with the aluminum folks, I do believe this would save time for all concerned down the road.

Thanks for your consideration of this request.

Btw, I was in touch with Liz Gasster, who is living the life of Reilly in CA.

Good afternoon,

Hope you all are doing well! I wanted to circle back on the Cabinet Member Cyber Briefing we had originally scheduled for February 15. Given the topic, we would like to include DOE, DOT, EPA, HHS and Treasury.

We would like to add this back on for the afternoon of Monday, March 5. Could you let me know if your principal is available to attend from 2:30pm – 4:00pm that afternoon?

I've included additional details below. Please let me know if you have any questions!

(b) (5)

The meeting would take place at the National Cybersecurity & Communications Integration Center (1110 North Glebe Rd, Arlington VA).

Respectfully,

Eliza

Hello Administrators Buzby, Batory, Martinez and Elliott and all of our Acting Administrators,
 At Secretary Chao's request, Deputy Secretary Rosen will be convening a new regular council of modal heads with substantial grant programs called the "Economic Growth Council." The meeting will include only Administrators and Acting Administrators, as well as the OST heads of Policy and Budget. The purpose of this Council is to align the Department as a whole around a broad-based economic growth agenda that benefits the entire country.

The first meeting will be on October 23rd at 3:00, and is scheduled for 45 minutes, though it is expected that the meetings thereafter will be set for 30 minutes. After the kickoff session, this group will meet twice per month. Though other matters also may be included on the agendas, the focus as we commence will be managing the Department's grant programs. Attached is a listing of DOT's grant programs. At the first meeting, OST Budget will provide an overall grants calendar, and as we proceed you will be requested to provide specific updates on your grant solicitations, selection processes and status, and ways in which your mode is promoting a pro-growth agenda. You will also be asked to offer suggestions for the Department generally so our grants and policies do everything we can to make America great again!

Good afternoon,
I look forward to seeing you at the Partnership for
Public Service <<https://ourpublicservice.org/about-us/contact.php>> this Wednesday, March 7 for our first
deputy secretaries convening. Please arrive by 7:45 a.m.
to enjoy a light breakfast and network. We will kick off
the meeting promptly at 8:00 a.m. and wrap up by 9:30
a.m.
I hope that we can use this time to connect and discuss
how we can collaborate to drive innovative, impactful
changes in our departments.
The Partnership team is sensitive to the ethical
considerations associated with government employees
attending roundtables and events, and has encouraged
us to check with our Designated Agency Ethics Officials
to determine the proper application of Ethics
Compliance. The estimated cost of this session is \$7.50
per person, which covers food and beverages. If you
need to pay, please bring a check payable to the
"Partnership for Public Service." The organization also
accepts cash and credit cards.
Should you have any questions about the meeting or if
you are no longer able to attend, please email Tina Sung
at tsung@ourpublicservice.org
<<mailto:tsung@ourpublicservice.org>> as soon as
possible.
Best regards,
Dan Brouillette

Subject: RE: meeting request -- Uber Technologies

Paul,

I just spoke with the Deputy Secretary and he would like to host your Elevate Team for the requested meeting. However, he doesn't have a lot of open time Thursday. Would your team be able to come to DOT for a meeting from 9:30-10:00 or 5:00-5:30?

Carrie

Subject: meeting request -- Uber Technologies

Hi Ms. Baker:

Uber has leaders of its Elevate team in Washington, DC to discuss our vision for and developments we have made in our emerging technologies, specifically a metropolitan air transportation service using VTOL aircraft. We would like to request a meeting with the Deputy Secretary on Thursday, March 8. Jeff Holden, Uber's Chief Product Officer (C Suite officer), Mark Moore, Director of Engineering for Aviation, and Justin Erlich, Uber's Head of Policy, Autonomous Vehicles & Urban Aviation, will represent Uber. I recognize this isn't much advance notice and would greatly appreciate anything you can do to help us. Thanks for your consideration.

Paul

Max, I'd be happy to try to meet sometime when you are here at DOT. My assistant is Carrie Baker, and I have copied her on this message.
With regard to the Sammies, we are indeed making nominations. Thanks.

Many thanks for the introduction, Robert.

Jeff, I'd welcome an opportunity to meet at your convenience. Please let me know with whom to coordinate. Only because it is time sensitive, I hope you will have someone on your team making sure to nominate your best employees for a Service to America Medal or Sammys. If you aren't familiar with the program, it is the premier recognition honor for career civil servants (www.servicetoamericamedals.org <<http://www.servicetoamericamedals.org>>).

Best,

Max

Update: Read-ahead documents attached. Thanks!

All,

This meeting is a follow up to the meeting convened on March 5th, by Chief of Staff Kelly to discuss challenges facing the Corps of Engineers relative to both permitting of non-Corps projects and development of Civil Works projects. Attendees of the March 5th meeting included Secretaries Pruitt, Perdue and Esper, as well as Mr. James, Assistant Secretary of the Army for Civil Works, and Mr. Gary Cohn, Ms. Emma Doyle, Mr. DJ Gribbin. As discussed, Mr. Cohn and NEC was asked to lead an interagency policy improvement process.

This first meeting is being convened to discuss the Corps permitting processes for Non-Corps projects to include section 408 permissions. The initial framing will involve a "quick look back" on how larger challenges have arisen in the permitting processes and a discussion about how challenges can be addressed moving forward. Participants are expected to think outside of the box in putting forth ideas on how to resolve recurring challenges including streamlining duplicative efforts. A similar meeting to review Civil Works project challenges will be scheduled separately.

Prior to the meeting a document that summarizes

challenges will be provided. All guests are allowed a plus one.

Per the Deputy Secretary's discussion this AM, we are
requesting 20 minutes to brief S1 ASAP on our tentative
selections of US Air Carriers to fill 4 US-Havana routes
previously awarded, but vacated by other US carriers.

· The Obama administration agreed to greater
exchanges with Cuba. Among the agreements was the
ability for the US to award 30 routes to US carriers
between the US and Cuba – 20 routes between US
cities and Havana; 10 routes between the US and other
Cuban cities.

· All 30 routes were awarded in the Summer of 2016.
Subsequently, US carriers ended service on 4 routes.

Hello Administrators Buzby, Batory, Martinez and Elliott and all of our Acting Administrators,
At Secretary Chao's request, Deputy Secretary Rosen will be convening a new regular council of modal heads with substantial grant programs called the "Economic Growth Council." The meeting will include only Administrators and Acting Administrators, as well as the OST heads of Policy and Budget. The purpose of this Council is to align the Department as a whole around a broad-based economic growth agenda that benefits the entire country.

The first meeting will be on October 23rd at 3:00, and is scheduled for 45 minutes, though it is expected that the meetings thereafter will be set for 30 minutes. After the kickoff session, this group will meet twice per month. Though other matters also may be included on the agendas, the focus as we commence will be managing the Department's grant programs. Attached is a listing of DOT's grant programs. At the first meeting, OST Budget will provide an overall grants calendar, and as we proceed you will be requested to provide specific updates on your grant solicitations, selection processes and status, and ways in which your mode is promoting a pro-growth agenda. You will also be asked to offer suggestions for the Department generally so our grants and policies do everything we can to make America great again!

The purpose of our meeting is a simple introduction of the ILWU to the Deputy Secretary and to brief him on our recent contract extension with the port terminal operators. We would also like to discuss Harbor Maintenance Tax reform.

Greatly appreciate your help on this.

Subject: Meeting request on behalf of the International Longshore and Warehouse Union (ILWU)

Matt and Carrie,

On behalf of the 36,000 members of the ILWU, I'm hoping to find some time on the Deputy Secretary's calendar on the morning of March 22 to meet with several of our international officers who will be in town. We would just need 20-30 minutes to meet with Deputy Secretary Rosen to brief him on our recently announced long-term contract with the west coast terminal operators as well as our support for the widely-supported reforms to the Harbor Maintenance Trust Fund.

The ILWU represents primarily represents dock workers on the West Coast of the US, Hawaii and Alaska and in British Columbia, Canada. It also represents hotel workers in Hawaii, cannery workers in Alaska, warehouse workers throughout the West and bookstore workers in Portland, Oregon.

Thanks for your consideration.

Scott

Background:

Gary will be back in town on March 21 – 22. Right now, Gary has two HUGE windows: 1) between 11:45am and 4pm on March 21, and 2) between 8am through 3pm on March 22. Anything in there that's doable for Mr. Rosen or Sec. Chao?

Gary could also do breakfast or lunch on 3/22.

Gary would like to discuss a few frozen/delayed rules. One is the RFI on airfare distribution (currently frozen). The other concerns revised metrics for mishandled check baggage and on-time flight reporting (delayed implementation).

Emotional support animals is top of mind these days and so he will probably want to discuss that issue, too.

Again, Gary would appreciate meeting with any of the senior leaders, especially if Sec. Chao and D/S Rosen are unavailable.

The purpose of the meeting is to inform the Deputy Secretary about the High Octane Low Carbon (HOLC) Alliance and our efforts to advance a pathway for bringing higher octane fuels to the market as part of the EPA and DOT/NHTSA Mid-term Evaluation process. As part of that process, it is our understanding that DOT/NHTSA and EPA will be making a determination in the next couple of weeks on the appropriateness of the GHG and CAFE standards for 2022-2025, which were issued under the previous administration. For additional context, I'm including below the meeting request to Secretary Chao from Senator Daschle. If you have any questions, please let me know. Thanks!

Elaine,

I hope this note finds you well.

As you may know, I convened a small coalition called the High-Octane Low-Carbon Alliance (HOLC) to promote high-octane fuel as a viable and affordable option to make continued progress in fuel economy standards and GHG reductions. In particular, we have been working to advance a path forward for high-octane through the EPA's Midterm Evaluation (MTE) rulemaking for light-duty vehicle GHG emissions standards for model years 2022-2025.

Given NHTSA's critical role in setting forth coordinated rulemaking on CAFE standards for the same model years, we recently met with the Deputy Administrator, Heidi King, and her staff to discuss our efforts. Our meeting was extremely productive and we will be sending her additional materials shortly.

I would welcome the opportunity to also meet with you to discuss HOLC and request your assistance in advancing our efforts with Administrator Pruitt.

Recognizing the short timeline of the forthcoming EPA and NHTSA determinations, I'm hoping we can find some to meet in the coming weeks.

I look forward to hearing from you.

All the best,

Tom
