

Experts Roster: Scientific talent involved in EDF's efforts to measure methane emissions

Methane studies experts –last updated November 4, 2016

Expert Roster - Methane Studies

A. Daniel Hill

Department Head, Professor and holder of the Noble Chair

Texas A&M University

Adam P. Pasci

Lead Statistician

University of Texas-Austin

Adam R. Brandt

Assistant Professor, Energy Resources Engineering

Stanford University

Adrian Down

Doctoral Student

Duke University

Aijun Deng

Research Associate

Pennsylvania State University

Al Hendler

Project Manager

URS Corporation

Alan Brewer

Atmospheric Remote Sensing

NOAA Earth System Research Laboratory

Alexie Heimburger

Postdoctoral Research Associate

Purdue University

Allen L. Robinson

Professor and Head Department of Mechanical Engineering

Carnegie Mellon University

Allen White

Research Meteorologist

NOAA Earth System Research Laboratory

Amy Townsend-Small

Assistant Professor, Departments of Geology and Geography

University of Cincinnati

Anatasia E. Fries

Graduate Assistant

University of Cincinnati

Anna Karion

Research Scientist

NOAA Earth System Research Laboratory

Anthony J. Marchese

Associate Professor, Department of Mechanical Engineering

Colorado State University

Anthony S. O'Brien

Postdoctoral Research Associate

Princeton University

Antonio Possolo

NIST Fellow & Chief Statistician

National Institute of Standards and Technology

April N. Covington

Graduate Research Associate

West Virginia University

Arlyn Andrews

Chemist

NOAA Earth System Research Laboratory

Austin L. Mitchell

Post-Doctoral Fellow

Carnegie Mellon University

Azucena Torres

Research Assistant

University of Houston

Benjamin R. Miller

Research Scientist

NOAA Earth System Research Laboratory

Birnur B. Guven

Research Scientist, Environmental Modeling

The Woodlands

Bradley Hall

Atmospheric Chemist

NOAA Earth System Research Laboratory

Brian H. Stirm

Air Operations Technical Specialist

Purdue University

Brian J. Nathan

Postdoctoral Researcher

University of Texas-Dallas

Brian K. Lamb

**Regents Professor, Laboratory for Atmospheric Research,
Department of Civil & Environmental Engineering**

Washington State University

Brian Stirm

Air Operations Technical Specialist

Purdue University

Bryan Wilson

Founder and Co-director, Engines and Energy Conversion

Lab

Colorado State University

Casey Quinn

Industrial Hygiene PhD Student

Colorado State University

Charles E. Kolb

President & CEO

Aerodyne Research, Inc.

Chris Rella

Research Fellow

Picarro, Inc.

Cody Floerchinger

Analytical Chemistry, Atmospheric Chemistry

Aerodyne Research, Inc.

Colm Sweeney

University of Colorado at Boulder

NOAA Earth System Research Laboratory

Connor G. Botkin

Field Application Engineer

Picarro, Inc.

Dan Wolfe

Research Scientist

NOAA Earth System Research Laboratory

Daniel S. Tkacik

Communications Manager

Carnegie Mellon University

Daniel Zavala-Araiza

International Scientist, Climate & Energy Program

Environmental Defense Fund

University of Texas-Austin

Daniel Zimmerle

Assistant Research Professor

Colorado State University

David J. Lary

Professor, Center for Space Science

University of Texas-Dallas

David Lyon

Scientist

Environmental Defense Fund

David M. Martinez

Intern Research Scientist

Colorado State University

David Noone

Associate Professor

University of Colorado

David Steele

System Engineer

Picarro, Inc.

David T. Allen

Melvin H. Gertz Regents Chair in Chemical Engineering

University of Texas-Austin

David W. Sullivan

Research Associate, Center for Energy and Environmental Resources

University of Texas-Austin

Derek R. Johnson

Research Assistant Professor, Mechanical and Aerospace Engineering

West Virginia University

Detlev Helmig

Fellow and Associate Research Professor of INSTAAR

University of Colorado

Donald R. Blake

Professor, Chemistry and Earth System Science

University of California, Irvine

Douglas Guenther

Sampling System Design & Development

NOAA Earth System Research Laboratory

Drew Nelson

Senior Manager, Natural Gas

Environmental Defense Fund

Eben D. Thoma

Physical Scientist

U.S. Environmental Protection Agency

Ed Dlugokencky

Atmospheric Chemist

NOAA Earth System Research Laboratory

Eric A. Kort

Assistant Professor

University of Michigan

Eric R. Crosson

Chief Technology Officer

Picarro, Inc.

Gabrielle Petron

Earth Systems Research Laboratory Associate Scientist

NOAA Earth System Research Laboratory

Gerald P. Duggan

SVM Lab Manager

Colorado State University

Gregory J. Frost

Regional Chemical Modeling

NOAA Earth System Research Laboratory

Halley L. Brantley

ORISE Research Fellow

U.S. Environmental Protection Agency

Isobel J. Simpson

Associate Research Specialist, Atmospheric Chemistry

University of California, Irvine

James R. Whetstone

Special Assistant to the Director for Greenhouse Gas and Climate Science Measurements

National Institute of Standards and Technology

James Thomas

A&P Hourly Employment

University of Texas-Austin

Jean D. Opsomer

Professor & Department Chair

Colorado State University

Jennifer Miskimins

Associate Professor, Petroleum Engineering

Colorado School of Mines

John Budney

Research Engineer, Wofsy Group

Harvard University

John H. Seinfeld

Professor of Chemical Engineering

California Institute of Technology

Jonathan Kofler

Engineer/Scientist/ Technical Lead

NOAA Earth System Research Laboratory

Joseph R. Roscioli

Principal Scientist

Aerodyne Research, Inc.

Josette E. Marrero

Graduate Student

University of California, Irvine

Kathryn McKain

Graduate Student, School of Engineering and Applied Sciences

Harvard University

Kenneth J. Davis

Professor, Meteorology

Carbon Now Cast, LLC

Pennsylvania State University

Kindal Keen

Chemist

URS Corporation

Kuldeep Prasad

Mechanical Engineer

National Institute of Standards and Technology

Laurie L. Williams

Associate Professor of Physics/Engineering

Fort Lewis College

Lei Tao

Associate Research Scholar

Princeton University

Levi M. Golston

PhD Candidate

Princeton University

Lucy R. Hutyra

Research Engineer

Boston University

Mackenzie Smith

Research Fellow

University of Michigan

Maria Cambaliza

Post-Doctoral Staff

Purdue University

Mark A. Zondlo

Assistant Professor, Civil and Environmental Engineering

Princeton University

Mark Omara

Postdoctoral Research Fellow

Carnegie Mellon University

Mark S. Zahniser

Director, Center for Atmospheric and Environmental Chemistry

Aerodyne Research, Inc.

Matthew Harrison

Senior Greenhouse Gas Project Manager

URS Corporation

Matthew P. Fraser

Senior Sustainability Scientist, Global Institute of Sustainability

Arizona State University

Melissa R. Sullivan

Research Technician

Carnegie Mellon University

Mike Hardesty

CIRES Senior Research Scientist and Director of CIRES Environmental Observations, Modeling and Forecasting Division

NOAA Earth System Research Laboratory
University of Colorado

Natasha Miles

Research Associate

Pennsylvania State University

Nathan Phillips

Professor, Department of Earth and Environment

Boston University

Nigel N. Clark

**Professor, Mechanical and Aerospace Engineering,
Benjamin M. Statler College of Engineering and Mineral
Resources**

West Virginia University

Olivia Salmon

Atmospheric Chemistry Graduate Student

Purdue University

Patricia Lang

Air Sample Analysis

NOAA Earth System Research Laboratory

Patrick Laine

**Regents Professor, Laboratory for Atmospheric Research,
Department of Civil & Environmental Engineering**

University of Houston

Paul Novelli

Atmospheric Chemist

NOAA Earth System Research Laboratory

Paul Shepson

Professor, Analytical and Atmospheric Chemistry

Purdue University

Pieter Tans

**Senior Scientist, Climate Monitoring and Diagnostics
Laboratory**

NOAA Earth System Research Laboratory

R. Subramanian

Research Scientist, Department of Mechanical Engineering

Carnegie Mellon University

Ramon A. Alvarez

Associate Chief Scientist

Environmental Defense Fund

Robert B. Jackson

Nicholas Professor of Environmental Sciences

Duke University

Stanford University

Robert Banta

Senior Research Meteorologist

NOAA Earth System Research Laboratory

Robert F. Sawyer

Professor of the Graduate School

University of California, Berkeley

Robert Harriss

Senior Contributing Scientist

Environmental Defense Fund

Robert Talbot

Director of Institute for Climate and Atmospheric Science

University of Houston

Russ Schnell

Physical Science Administrator

NOAA Earth System Research Laboratory

Scott C. Herndon

**Physical Chemist and Principal Scientist, Center for
Atmospheric and Environmental Chemistry**

Aerodyne Research, Inc.

Scott Richardson

Senior Research Associate

Pennsylvania State University

Simone Meinardi

Associate Specialist, The Rowland-Blake Group

University of California, Irvine

Sonja Wolter

Operations Coordination

NOAA Earth System Research Laboratory

Stephen A. Montzka

Atmospheric Scientist

NOAA Earth System Research Laboratory

Stephen Conley

Associate Specialist IV

Department of Land, Air and Water Resources, University of
California, Davis

University of California, Davis

Stephen W. Pacala

Director, Princeton Environmental Institute

Princeton University

Steve M. Raciti

Assistant Professor

Boston University

Steven C. Wofsy

Associate of Harvard Forest

Harvard University

Steven L. Edburg

**Assistant Research Professor, Laboratory for Atmospheric
Research,**

Department of Civil & Environmental Engineering

Washington State University

Steven P. Hamburg

Chief Scientist

Environmental Defense Fund

Tara I. Yacovitch

Senior Scientist

Aerodyne Research, Inc.

Tegan Lavoie

Post-Doctoral Fellow

Purdue University

Thomas Lauvaux

Chief Technical Officer

Carbon Now Cast, LLC
Pennsylvania State University

Thomas Nehr Korn

Principal Scientist

Atmospheric and Environmental Research, Inc.

Thomas W. Ferrara

Project Manager

Conestoga-Rovers & Associates
GHD Services Inc.

Tim Newberger

Instrument Specialist

NOAA Earth System Research Laboratory

Timothy L. Vaughn

Ph.D. Candidate and Graduate Research Assistant

Colorado State University

Timothy R. Dallmann

Post-Doctoral Research Fellow

Carnegie Mellon University

Tracy R. Tsai

System Engineer

Picarro, Inc.

Vincent M. Torres

Associate Director, Center for Energy and Environmental Resources

University of Texas-Austin

Virginia Palacios

Senior Research Analyst

Environmental Defense Fund

Wesley Dyck

Senior Environmental Scientist

Conestoga-Rovers & Associates

William C. Squier

Mechanical Engineer

U.S. Environmental Protection Agency

William Harrison

Senior Greenhouse Gas Project Manager

University of Texas-Dallas

Xin Lan

Research Associate

University of Houston

Michael Trainer

Regional Chemical Modeling

NOAA Earth System Research Laboratory
