

Harnessing carbon markets under Article 6 to increase ambition: Lessons from research and practice

Wednesday, December 12th, 2018, 15:00 – 16:30

Location: side event room Pieniny, Area G

Experts will present research on the benefits of carbon market cooperation for achieving the goals of the Paris Agreement. Panelists will also discuss the kinds of rules necessary to operationalize Article 6, including rules to avoid double counting.

Presenters:

- Steve Rose, EPRI
- Nathaniel Keohane, EDF
- Dirk Forrister, IETA
- Jonathan Grant, PwC
- Kay Harrison, New Zealand
- Jos Delbeke, European Commission (Invited)

Moderator: Kelley Kizzier, Co-chair, Article 6 Negotiations
