

EDF at NACW

Environmental Defense Fund, one of the world's leading international nonprofit organizations, delivers bold climate solutions to build a vital Earth for everyone. Our experts are leaders in the carbon market space, and provide cutting-edge analysis for decisionmakers. They'll be attending and presenting at the [North American Carbon World conference](#), taking place April 6-8 in Anaheim, CA.

CLIMATE CHANGE, ENERGY AND SUSTAINABILITY

Fred Krupp, President, @fredkrupp

Fred Krupp has guided EDF for three decades, and is a leading voice on climate change, energy, sustainability, and leveraging market-based solutions to protect our environment. He has focused international attention on the problem of methane emissions from the oil-and-gas system, and led EDF's innovative corporate partnerships with FedEx, KKR, McDonald's, Walmart, and others.

DELIVERING APRIL 7, 8:15AM PDT KEYNOTE ADDRESS [virtually] on what the world looks like when we get carbon markets right.

GLOBAL CLIMATE NEGOTIATIONS, ARTICLE 6, CARBON MARKETS

Kelley Kizzier, Vice President for Global Climate, kkizzier@edf.org

Kelley leads EDF's work to promote more ambitious and effective global climate policy and company action, with a focus on multilateral climate agreements and global cooperation through carbon markets. She is a former EU lead negotiator for carbon markets and co-chair of Article 6 of the Paris Agreement.
